

MODEL: AFL CAR AFL CAR SANIFIER

Electrical specification	
Voltage	DC 12 V
Rated Power	1W
USB Load	5V, 1A
Power with USB output	8.5W

Unit: mm

Mechanical specification			
Material	ABS+PC	weight	110g
Colour	Black/white	Shipping weight	270g
Fan motor type	Dual ball bearing	Colour	Stealth Black Ghost White Storm Grey
Output Load	5V,1A		

Electrical Component specification			
Ion density	≥20 million/cm ³	Fan motor type	Dual ball bearing
PCO cell	0.1W	Fan	Rated 12VDC, 5000rpm
